2nd June 2020

Dear Mr Jones,

On behalf of everyone here at Southend YMCA, I am writing to thank the congregation at St Peter's for their donation of £450 towards our SOS Bus project. This was incredibly unexpected but, as you can imagine, has come at quite a crucial time for us.

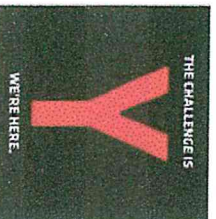

I've noted that your donation may have originally been intended for our SOS Bus. Given the current pandemic and following Government guidance, we have postponed our SOS Bus activities for the time being. Our team of Bus volunteers are now supporting the vulnerable young people we house at our supported accommodation unit in Southend. Most of the 33 young people we house at Newlands are aged just 16-21 years old and have experienced traumatic or abusive childhoods. We provide not only a safe space to live, but additional support and access to opportunities where they can develop skills, resilience and a better start in life.

With the COVID-19 pandemic we have been forced to change the way we work. We are now experiencing greater costs as we work within the government guidelines and ensure that the young people we house remain safe. I am writing to suggest that we use your generous donation towards the cost of supporting these vulnerable young people during this challenging time.

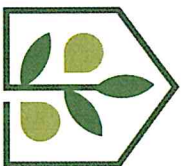

I hope that your congregation will be amenable to this. I would be delighted to provide further information regarding our work and the difference we make to the lives of young people. In the meantime, thank you once again for thinking of us.

Yours sincerely,

Syrie Cox

Dear St Peters Church
c/o G Jones (Treasurer)

On behalf of The Olive Tree Centre I would like to thank you so much for your generous donation of £500 it couldn't have come at a better time given the lock down and all this entails for us, Fortunately we are continuing to offer telephone / skype / zoom counselling albeit a limited service, yet we are starting to receive more calls as restrictions recede.

Please feel free to contact us if any of your parishioners feel the need to seek counselling.
We pray you keep well and once again thank you!

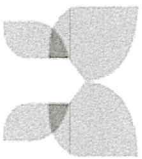

C. Westerman

Thank you so much
for your kind donation
£450.00
to Havens Hospices

To all at St Peters Church Westcliff,

On behalf of all of us here at Havens Hospices, we wanted to write and say a very big thank you for your kind donation especially at such difficult time for everyone. Your support means that the care our hospices are providing today - for hundreds of patients and families - can carry on.

The Coronavirus is affecting our ability to raise the money needed for our palliative and supportive care. Our care remains completely free, so this gift has made it that bit easier for our nursing teams. On behalf of them – thank you again.

It would mean the world to us if you could pass on to your family and friends how much their support is needed too. Whatever people can donate, every pound has such an impact during times like these.

Together we are 'Making every day count' for those who need it most.

With heartfelt thanks,

LK Collie

07 May 2020

Dear Friends,

Greetings in the Name of our Lord Jesus.

We do appreciate the most generous gift of £400.00 from St Peter's Church to the Barnabas Fund to help Christians who are suffering for their faith. We are so glad that you share our concern for these needy brothers and sisters. Gifts made through the Barnabas Fund make a real difference to people who often have nobody else to help them.

Please remember in your prayers all who are affected by the global tragedy of Covid-19 including the sick, the bereaved and those who are working so hard to care for others and to find remedies and develop vaccines. Remember also those affected by lockdowns, who now have no income at all. Pray especially for Christians who are already poor, discriminated against or persecuted, that they may be strong in the Lord and that He will provide for them when they are left out from general aid distributions. In East Africa and Pakistan the worst locust swarms for decades have coincided with the coronavirus. The second generation of locusts, even more ravenous than the first, arrived in early April in East Africa, and Pakistan is bracing itself for further generations of locusts in the coming months. Pray that the Lord will disperse the locust swarms before they eat all the crops.

Thank you for your support for the Barnabas Fund.

Yours sincerely in His service,

Paul Mulholland
